Dear Jim:

I am writing this letter to let you and the Spinnaker Pointe Property Owners Association know that I am working with Randy Miller in the consolidation of several lots in your subdivision. I am in the process of producing a final recordable plat of the lots owned by Randy Miller. After this recombination of lots, he should end up with 5 usable lots. I will need a few more weeks of time to complete this request.

Sincerely,

Kenneth W. Odom, Jr., PLS 3652
